

The Quiddity Trail

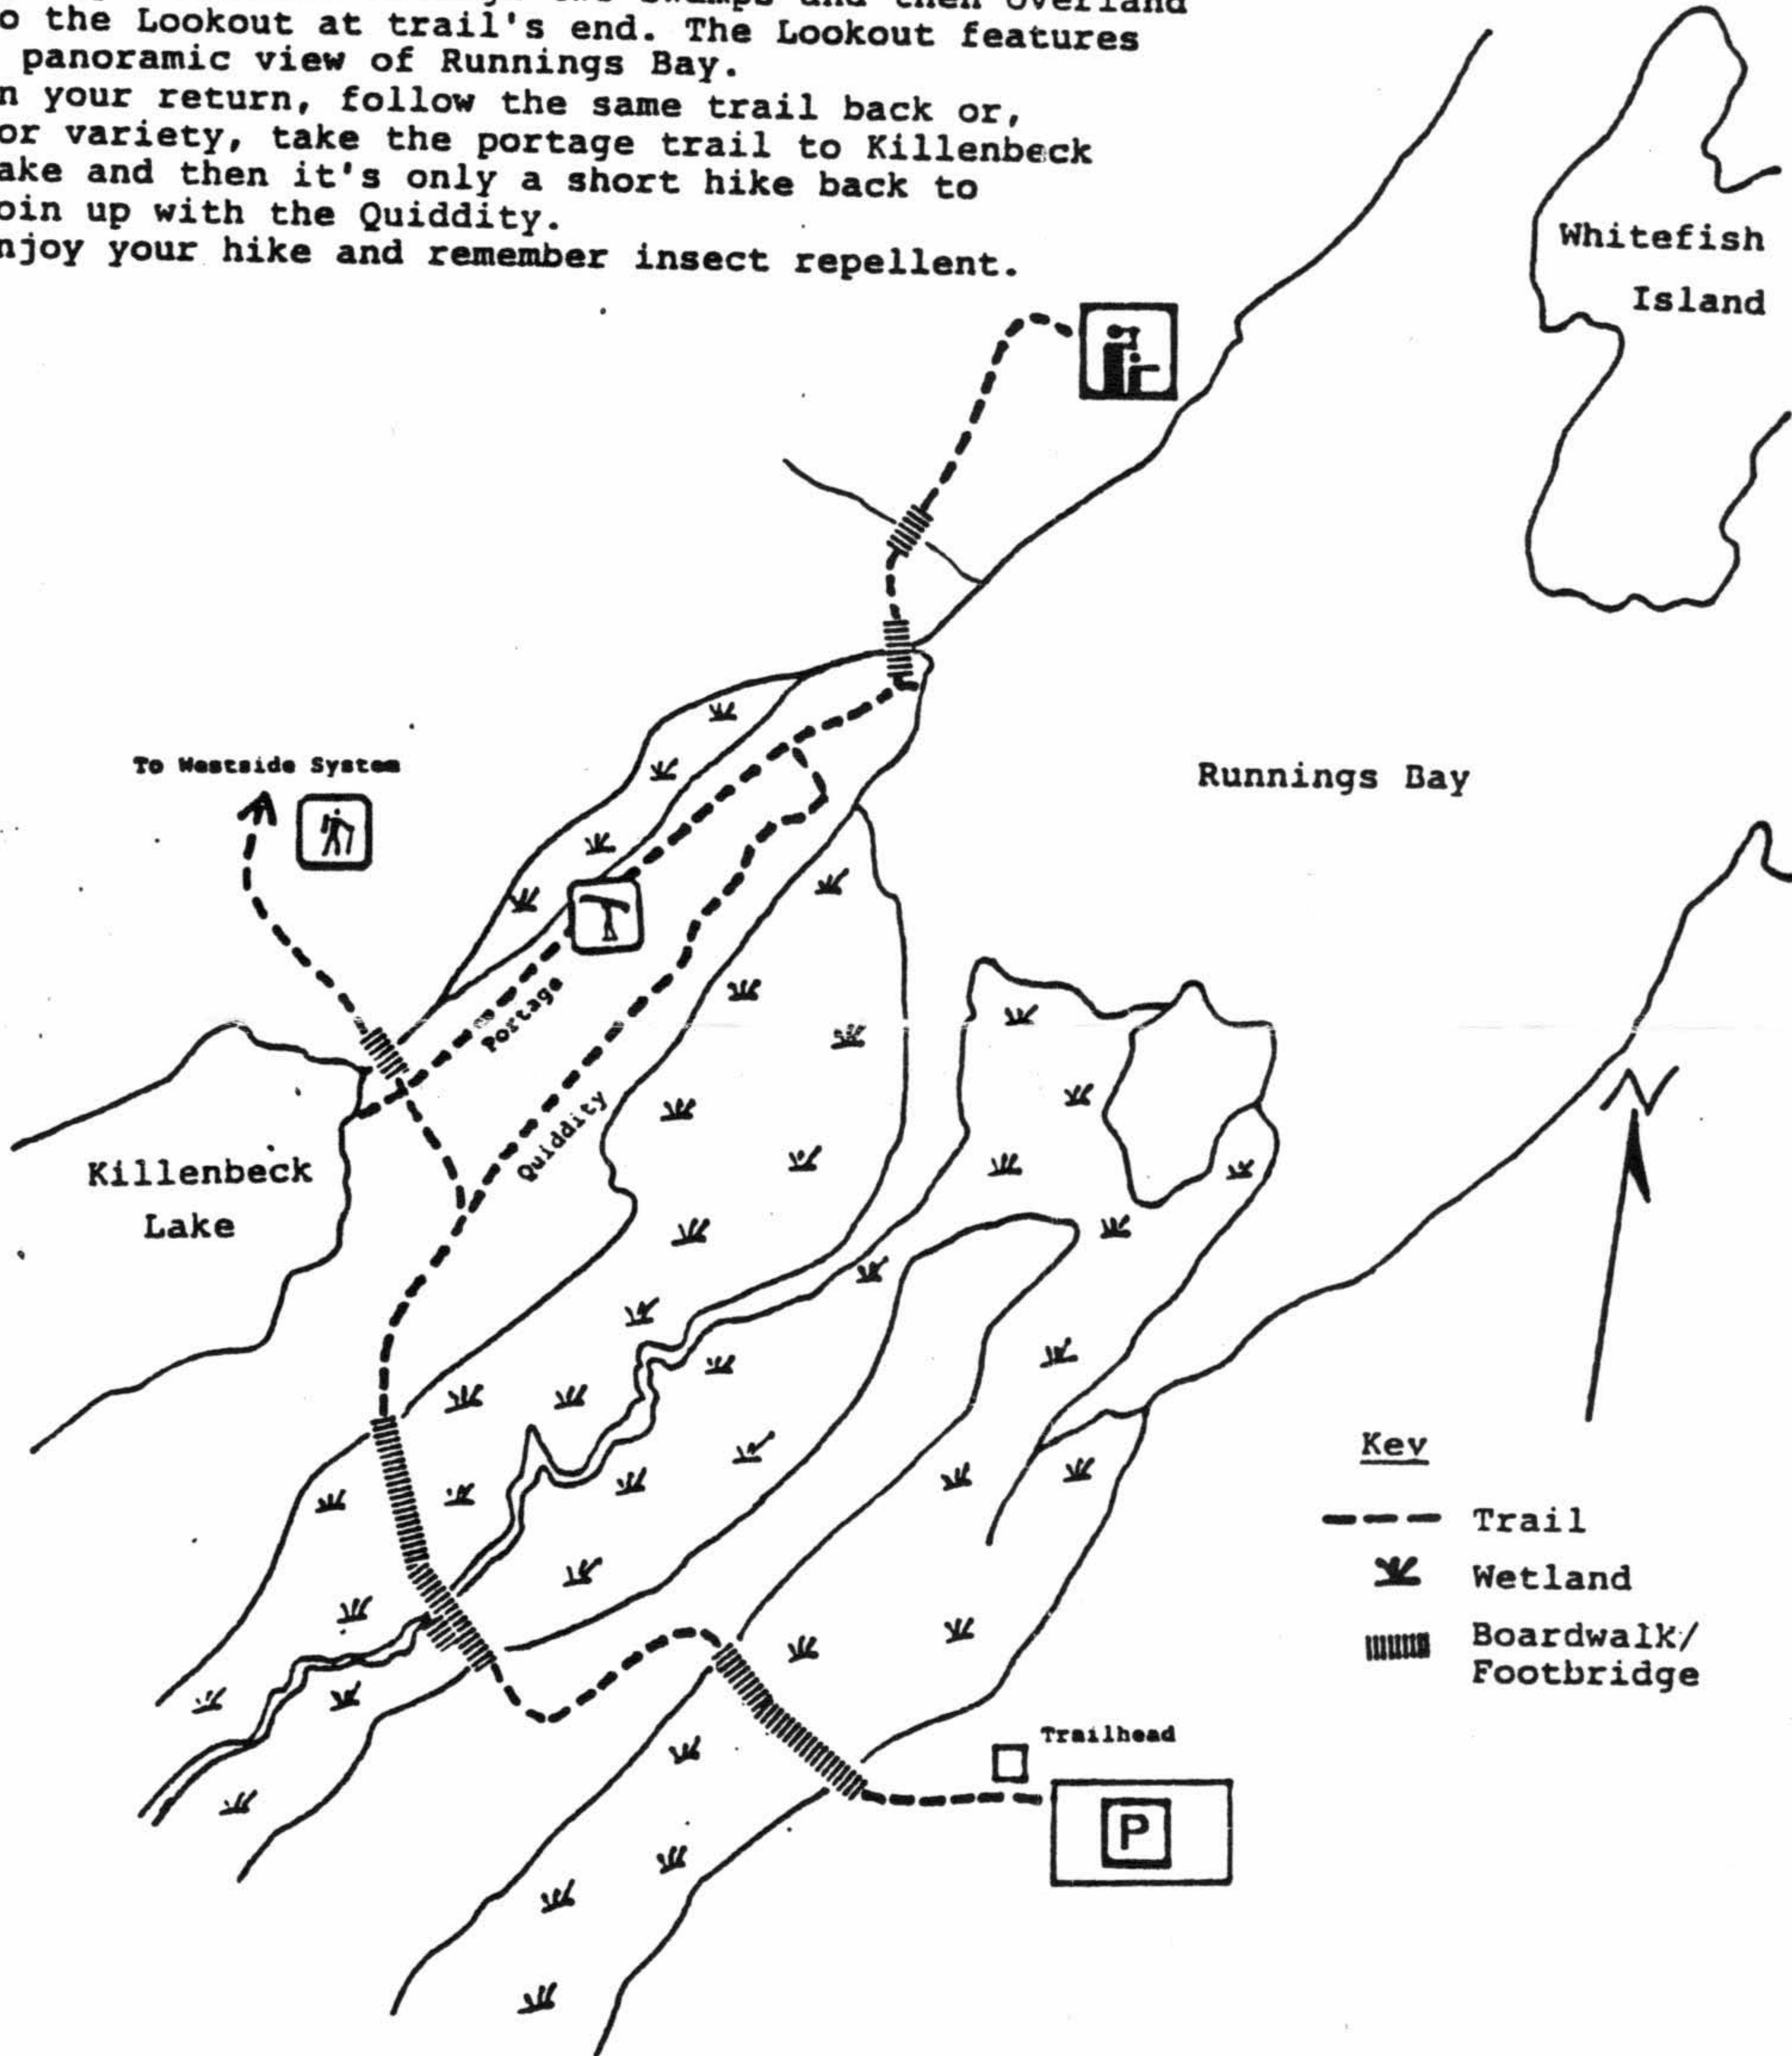

Welcome to the Quiddity Trail

The Quiddity Trail is a 2.4 km trail that takes you by boardwalk through two swamps and then overland to the Lookout at trail's end. The Lookout features a panoramic view of Runnings Bay.

On your return, follow the same trail back or, for variety, take the portage trail to Killenbeck Lake and then it's only a short hike back to join up with the Quiddity.

Enjoy your hike and remember insect repellent.
